### ACFUSA MOTTO:

**"Building Bridges."**

This represents the purpose and ministries of the African Christian Fellowship in reconciling man to God through evangelism and missions among all people groups.

To San Francisco, NY, Chicago, and Boston; to Africa, Asia, Europe, Australia, North and South America; to anywhere in the world; "Go" says the Lord. We are Believers without Borders.

Build across Africa; strengthen the brother/sisterhood – from Senegal to Somalia, Capetown to Cairo; build eclectic ACF. Just Do It.

Spring time in Uganda

It doesn't have to be the world's longest bridge (Akashi-Kaikyo); it could be just a ladder. A bridge is a bridge no matter how small.

At the cross roads, someone made it easy for you. Please do the same for others. Do not only tell them about the ACF, hold them down by letting your light so shine.

The Niger Bridge is old and crumbling. It needs retrofitting. Build within the body of ACF; from chapter to chapter, leaders to the followers, to the young adult and senior citizens. To all build.

To every People group, Christians and non-Christians build; to various social groups and political affiliations build, see the man of Macedonia pleading. People need the people; answer the call to build.

ACFUSA

# BUILDING BRIDGES

B.B.  
BELIEVERS  
WITHOUT  
BORDERS

Good intentions accomplish nothing until they are put to work. It takes all kinds of people, you in particular, to build the kind of ACF you want.

A matter of urgency: Let's work now while it's still daylight (while you can still walk) 'cos night is coming when no man can work.

Fact: There are always numerous obstacles on the road, but somebody has got to do the job. Christ thought of you and took the fall.

If there is any encouragement in being united with Christ .....fulfill ye my joy by being like minded. Carry them across if you can. B-aBridge to someone.

BRIDGE BUILDERS  
THAT'S WHO WE ARE

Are you standing - admiring your looks and blocking the traffic? It is a bridge bro! Don't stand there, you might get run over.

Though you don't see the end in sight, do not be troubled. This is not a bridge to nowhere. We are people of destiny.

We are committed to:

**Establishing viable and productive (cooperative and collaborative) relationships with:**

- **Christian organizations - Churches, assemblies, missionariae, etc.**
  - **People groups - christians and non-christians of any tongue or hue, local or abroad, or party affiliation**
- that share common beliefs, vision and objectives with ACF.**

Do not burn the bridges rather forget what is behind and press forward to take hold of that for which Christ Jesus took hold of you.
